

HAVE YOUR SAY! PUBLIC PARTICIPATION PROCESS FOR THE UPGRADE OF VOORTREKKER ROAD, MAITLAND BETWEEN 4TH AVENUE AND CAMP ROAD

The City's Urban Mobility Directorate is calling on members of the public and interested parties to submit comments on the proposed road infrastructure upgrades to upgrade the existing road corridor by dualling and widening the road infrastructure. This forms part of the City's Comprehensive Integrated Transport Plan and Congestion Relief Programme. The project proposes road infrastructure upgrades to improve the commuters experience through the establishment of universally accessible and well integrated traffic alleviation measures. The road infrastructure upgrades will increase the road network capacity and improve the operations of public transport; active mobility; goods and services; and private Transport.

The project proposes the following road infrastructure upgrades:

- The widening of Voortrekker Road between 4th Avenue and Station Road
- The widening of Koeberg Road between Voortrekker Road and Basson Street
- The realignment of Camp Road with Voortrekker Road
- The realignment of Sydow Street with Camp Road and Perth Street

In terms of Section 17 of the Local Government: Municipal Systems Act, Act 32 of 2000, the public and interested parties or groups are given the opportunity to submit comments, recommendations or input on the proposal to the municipality from 15 September 2026 until 16 October 2026.

Comments, recommendations and input may be submitted by:

(Quote reference: 110262707)

Email: urbanmobility.CT@capetown.gov.za

Online: www.capetown.gov.za/haveyoursay or scan the QR code
